

Mixed Berry Crumble

We picked apples from our tree in the nursery garden. Mrs Fenton bought us some more delicious fruits so we decided to make a crumble for snack.

We very carefully cut up the apples and Mrs O'Neill cooked them in a pot.

We added lots of other lovely fruits and measured out the ingredients for the crumble. We had to wait a while for the crumble to cook but it was worth it, we ate it for snack with some custard. Yum Yum.
