

## P7 Snow Homework

<p>Write a setting for a story that takes place on a snowy mountain top. Think about what you can see, hear, taste, touch and smell.</p>	<p>Write some word problems that are related to snowy weather. Post them on Glow and see if anyone can solve them!</p>	<p>Find out about Winter in a country that has a different climate from us. Write a paragraph to show what you have found out!</p>	<p>Design a new super sledge.</p>
<p>Find out about some of the sports that are events in the Winter Olympics. Choose one of the sports and create a fact file to show what you have found out about it.</p>	<p>Measure how deep the snow is at three different points outside your house. Use a table to record how much this changes over the course of the day. Create a line graph to display your findings.</p>	<p>Put your spelling words into alphabetical order and then write a dictionary definition for each word.</p>	<p>Find out about solids, liquids and gases. Give five examples of each. Is snow a solid, liquid or a gas?</p>
