

Snowy Weather Homework

<p>1. Topical - Weather</p> <p>Watch several weather reports on TV and write down the main features of the weather for the local area.</p>	<p>2. Art</p> <p>Look out of your window and make a detailed drawing of what you see.</p>	<p>3. Maths</p> <p>Practice and revise your times tables 1 - 10</p>	<p>4. Reading</p> <p>Read a newspaper article that interests you and jot down the main points of the article.</p>
<p>5. ICT</p> <p>Go outside and build something and take a picture of it with a digital camera, if you can, upload it to your class glow group. If not bring the pictures in to let us see.</p>	<p>6. Language</p> <p>Create your own acrostic poem with the word Winter or Snow.</p>	<p>7. Health</p> <p>Create a poster/ Powerpoint presentation about the dangers of not being seen on the roads at this time of year. Remember to make sure your presentation is bright, colourful and has a catchy slogan.</p>	<p>8. PE/Health</p> <p>Put on your favourite piece of music and find as many ways to move around as you can. Try and make up a short routine that you can share with us when you get back to school. Remember to be safe and be careful.</p>

These homework activities are given in the event that the school is closed due to severe weather.
